
Bistro & Cellar Door

WELCOME TO THE BISTRO & CELLAR DOOR

Glen Ewin Estate has a rich history steeped in horticulture.

The founder, George McEwin, had a passion for sustainable cultivation. In 1843 he published the 'South Australian Vigneron and Gardener's Manual' which detailed practical directions for the management of fruit trees and kitchen gardens.

In 2016, Glen Ewin Estate created a new kitchen garden, continuing George McEwin's vision for seasonal and sustainable produce.

The kitchen garden is a collaboration between our Head Chef and Horticulturalist. We pay homage to the horticultural traditions of George McEwin and Glen Ewin Estate by using produce picked fresh from our own gardens and from local producers.

As the regional Cellar Door for the Adelaide Hills, we showcase offerings from boutique wineries, breweries and distilleries.

Check with our Cellar Door staff for details on seasonal tasting flights and wine matches.
